<p>Comic Strips is a great way to read short stories. Graphic Novels have become very popular in today's society. Today you are going to choose a story from <a href="http://awilliams7.weebly.com">awilliams7.weebly.com</a> (that you have not read). Before you read the short story, research comic strips and write a summary on what you looked at and discovered. You will turn this in at the end of the period.</p>	<p>Internet, weebly</p>	<p>10 min</p>
